Dewan of Mysore.

Sir,

We the undersigned residents and house owners of the New Extension between Chamarajapett and Basavangudi, Bangalore City, beg permission to approach you with these few lines.

2. This Extension came into existence two years back and since then, it has made very rapid progress. Nearly 30 houses and Bungalows have already sprung up and many more are in course of completion and construction. Between 20 to 25 families have already taken up their residence also in this Extension and many others have been arranging to get into it very soon.

3. The Extension, we understand, is so arranged as to provide accommodation for 200 houses including Bungalows, or about 1,500 to 2,000 inhabitants in the average.

4. In its present situation, the Extension is situated between Chamarajapett and Basavangudi, surrounded on all sides mostly by open places. Being quite unconnected with the City quarters and being a place of refuge for large number of Vaddar coolies working in the Extension, it does not afford the same security and protection of which the other people of the City are the recipients. Moreover, as this Extension has been modelled on the latest sanitary principles, the houses are not so close as in the other Extensions and they are more scattered.

5. We humbly think that both for the security and well being of those that have already settled in this Extension and as a sort of encouragement to future settlers, the aid now rendered by the one or two Police constables stationed at the

Petition received from the Inspector General of police, in Tamil, with his no 3715 dt 12.2.60 is forwarded to the Chief Superintendent of police Bangalore city for a detailed report at a very early date as to the present police arrangements made in the extension and if there is any necessity to open an out-post in the

Sringeri Matt premises does not adequately provide for the requirements of the place and that it is very desirable that some more assistance should be provided within the limits of the Extension. We have therefore taken the liberty to approach you and beg of you to be so good as to give our prayer your early consideration and authorize the establishment of a Police Station with a small staff.

6. We beg to assure you that this kindness will be very much appreciated and cherished by one and all of us; and will at the same time go a great way in furthering the progress of this infant Extension.

We beg to remain

SIR,

With reference to your memorandum No.J.2056/Police.103-09-2 dated 26th January 1910 forwarding for report the petition received from Mr. K. Ramasawmy Iyengar and other residents of the Shankarpur extension of the Bangalore City, praying for the establishment of a Police Station in the new extension, I have the honor to forward herewith copy of letter No.685 dated 25th February 1910 from the Superintendent of Police, Langalore District, proposing that an out-post with an allocation of 1 sergeant and 6 constables should be opened as a temporary measure till the investigating centre scheme of the Bangalore City is sanctioned.

The few houses which have sprung up in this locality are scattered over the whole extension and as these are very much exposed with scarcely any protection, I strongly urge upon consideration of Government the desirability of granting to these people Police protection without delay.

Concurring with the Superintendent of Police, I request that sanction of Government may be kindly obtained for the location of an out-post in the new extension and the temporary ~~establishment~~ enlistment of the marginally noted staff at a monthly cost of Rs.60/-

From,

T. Thumboo Chetty Esquire, B.A.,

To,

D. Devaraj Urs Esquire,
Inspector-General of Police in Mysore.

(Through the Deputy Commissioner, Bangalore District).

Sir,

With reference to your letter No.3715/422 dated 12th February 1910 calling for my opinion in re the opening of an out-post temporarily in the new extension between Chamarajpet and Basavangudi of the Bangalore City, I have the honor to state, that, at present 5 men withdrawn from different station in the City, have been put on special patrol duty in the said extension. These work by turns, 2 men being put on day duty while 3 are employed on night duty.

This arrangement is quite inadequate to meet the legitimate demands of the extension and I regret my inability to effect better arrangements for want of sufficient number of men. I may add that the present arrangement interferes with the work of the stations from which these men have been with drawn.

I am therefore of opinion that early sanction may kindly be obtained to open an out-post with an allocation of one sergeant and 6 constables in the said extension as a temporary measure till the Investigating Centre Scheme for the City wherein provision has been made to meet the necessary requirements receives the sanction of Government.

The petition received with your letter under refere is herewith returned.

General and Revenue Departments.

Sir,

With reference to your No. J.301/Police 123-09-6 dated 30th July 1910 enquiring how the staff of Chamarajpet Station is employed and your subsequent No. J.135/(Tele Under Police 3-10 dated 5th November 1910 forwarding a petition from the inhabitants of the Shankarpur Extension, I have the honour to forward herewith copy of letter No. 236 dated 26th September 1910 received from the District Superintendent of Police, Bangalore, as also a copy of the constables' daily duty Roster of that Station for perusal.

2, To afford Police protection to the inhabitants of the new extension, the additional Establishment applied for in this office No. 5845/507 dated 16th April 1910 is absolutely necessary, as it is not possible to spare from Chamarajpet Station staff, men for this duty.

I have the honour to be,
Sir,

No. 236. Dated 26th September 1910.

From

T. Thambu Chetty Esq., B.A.,

Superintendent of Police, Bangalore Dt.

To

D. Devaraj Urs Esq.,

Inspector-General of Police in Mysore.

(through the Deputy Commissioner.)

Sir,

With reference to your memo No. 604/71 dated 4th Aug. 1910 requesting to be informed how the Chamarajpet Police Station staff has been employed, I have the honour to forward for perusal a copy of the constables daily duty Roster received from the Chief Inspector of Police, Bangalore City .

It will be seen from the Roster that the allocation of the station itself is short of one sergeant. As 6 men are with-drawn and deputed to Shankarpur Matt Extension, night beats are left vacant. Consequently the remaining men are over-worked and put to great hardship. Provision has also to be made for emergent occasions when men are required for special duty.

The Head constable will be engaged in the investigation of all the petty cases and in patrolling the limits of his station.

In these circumstances I am of opinion that unless an allocation of one sergeant and 6 men for the Shankarpur Outpost is sanctioned, it would be impossible to cope with the work.

I have &c.,
